# CUPRA SUMMER SERIES

## How does it work?

### Collect points over the whole tournament series

You decide which tournaments you play. All collected points are **counted individually** within the same category over the whole series. You can also switch partners between tournaments. You can also participate in multiple categories.

### How many points can I collect per tournament?

Winners get 50 points  
Runner-ups get 30 points  
3rd place get 10 points

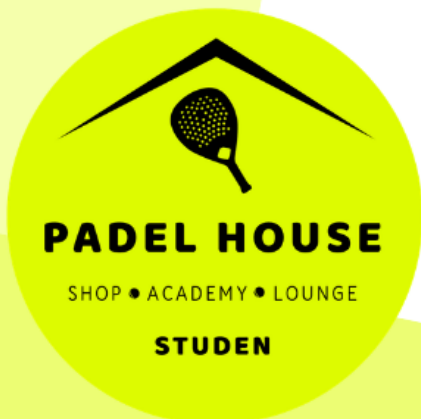

The scoreboards are updated after each tournament

## Series Prizes
